1. Background

On the 16th June 2004 the tenant of the above property referred to the Committee a notice of increase of rent served by the landlord under section 13 of the Housing Act 1988.

The landlord's notice, which proposed a rent of £110 per week with effect from 9th August 2004 is dated 9th June 2004.

The tenancy is a periodic tenancy by succession in April 2004. The current rent is £92.50 per week.

2. Inspection

The Committee inspected the property on 19th August 2004 and found it to be in fair order only.

3. Evidence

The Committee had received written representations from the tenant and these were copied to the parties. No written representations were received from the landlord.

Neither party requested a hearing at which oral representations could be made.

4. The Law

In accordance with the terms of section 14 Housing Act 1988 the Committee proceeded to determine the rent at which it considered that the subject property might reasonably be expected to be let on the open market by a willing landlord under an assured tenancy.

In so doing the Committee, as required by section 14(1), ignored the effect on the rental value of any relevant tenant's improvements as defined in section 14(2) of that Act.

In coming to its decision the Committee had regard to the evidence supplied by the landlords agent and the members' own general knowledge of market rent levels in the area of North Mid Kent and concluded that an appropriate market rent for the property would be £95 per week.

5. The decision

The Committee therefore concluded that the rent at which the property might reasonably be expected to be let on the open market would be £95 per week.

This rent will take effect from 9th August 2004 being the date specified by the landlord in the notice of increase.
