for the decision of the Committee which met on 13 July 2006
to determine a FAIR RENT in respect of
75 Villiers Road, Oxhey, Watford, Herts WD19 4AL

Ref. No. CAM/26UK/F77/2006/0048

Landlord: Bradford Property Trust Ltd
Tenant: Mrs M Doe

Rent at date of Application:	£55.00 per week
Rent proposed by Applicant:	£66.00 per week
Rent determined by Rent Officer:	£58.00 per week
Rent determined by Committee:	£61.50 per week (£73.50 p.w. before capping)

MEMBERS OF THE COMMITTEE: **Mr G M Jones - Chairman**
Mr R Marshall FRICS FAAV
Mr A J Jackson JP

THE PROPERTY	The Committee inspected the property in the presence of the tenant and found it to be generally as described in the Rent Register. It is a two-bedroom late Victorian or Edwardian terraced house brick-built with slate roof and wooden sash windows and let completely unfurnished with no bathroom and external W.C.
CONDITION	The property appeared to be in fair condition except for some poor external woodwork and a leak in the roof above the W.C.
TENANT'S IMPROVEMENTS	Gas fires; fitted kitchen (replacing butler sink); tiny shower cubicle in kitchen; ceiling repairs; lean-to conservatory leading to W.C.
LOCATION	Modest and fairly quiet suburban street convenient for Bushey railway station.

SCARCITY

In the experience of the Committee, scarcity in the wider locality (N W London fringe and S W Herts) for this type of property justifies a deduction of 15%.

THE LAW APPLIED

In short, the task of the Committee is to determine a 'fair rent' within the meaning of section 70(1) of the Rent Act 1977, taking into account all relevant circumstances (other than personal circumstances). A fair rent is a market rent adjusted for scarcity and disregards under section 70(3) – in particular, tenants' improvements. A discount will be appropriate under section 70(2) where there is a significant scarcity of similar dwellings available for letting in the locality. Rent capping may apply (see below). The rent will be exempt from capping if the landlord carries out repairs or improvements to the property as a result of which the uncapped fair rent determined for the property is at least 15% more than the existing registered rent. Full Reasons (if requested) will set out the relevant legal principles in detail.

OPEN MARKET RENT

Based on the evidence (including the Rent Officer's Market Evidence Report) and the Committee's own knowledge and experience, the open market rent for the property, if let on assured shorthold terms, fully modernised and in good order throughout, with central heating, double-glazing and carpets, curtains and white goods, would be £750.00 per calendar month.

COMMITTEE'S CALCULATIONS

Open market rent	£750.00 p.c.m.
Less global deduction for age, character, size, condition, lack of modern facilities and tenant's improvements 50%	<u>£375.00</u>
Adjusted open market rent for this property	£375.00 p.c.m.
Reduction for scarcity 15%	<u>£ 56.25</u>
	£318.75
Weekly equivalent rent	£73.50 per week

THE RENT ACTS (MAXIMUM FAIR RENT) ORDER 1999

The maximum fair rent calculated in accordance with the formula set out in the Order is £61.50 per week. The rent is not exempt from capping.

DECISION

As the maximum fair rent is less than the Committee's assessment, the fair rent is the capped figure of £61.50 per week.
