**1. Background:-**

Mr and Mrs Harper are the **Tenants**, by a 99 year lease from 29 September 1934, of the dwelling house and premises at 77, Wilmington Road, Quinton, Birmingham B32 1DZ (the '**Property**'). The **Freeholder** and the **Landlord** is Martinvale Developments Limited. By a notice dated 4 November 2002 (the '**Date**') the Tenant claimed to acquire the freehold under the Leasehold Reform Act 1967 (as amended) (the '**Act**'). By applications dated 27 January 2003 the Tenant applied to the Tribunal, pursuant to Section 21 of the Act, to determine the price payable on the acquisition of the freehold of the Property under section 9(1) of the Act and the reasonable costs payable under Section 9(4) of the Act.

**2. Representation:-**

The Tenants were represented by Mr A Brunt of Anthony Brunt & Co. (Valuers). Mr Brunt appeared at the hearing, which took place on 19<sup>th</sup> May 2003. The Landlord was represented by Fell Estates Limited but there was no appearance by and on behalf of the Landlord at the hearing on 19<sup>th</sup> May 2003.

**3. Directions:-**

On 28 February 2003, Mr S.J.Duffy (President of the Midland Rent Assessment Panel) issued Directions (a copy of which are annexed hereto, marked "A").

These Directions were later varied by Mr Duffy in so far as the time for serving and lodging the Agreed Statement of Facts and Issues was extended until 15<sup>th</sup> May 2003 (see letters of 8<sup>th</sup> May 2003 from the Tribunal to Fell Estates Limited and Brunt & Co., copies of which are annexed hereto, marked "B").

It appears that a hearing date of Monday 19<sup>th</sup> May 2003 was, at some stage, fixed and (we assume) notified to the parties.. It seems that this was done after 28<sup>th</sup> February 2003 but the evidence before the Tribunal did not show when the hearing date was fixed

**4. Applications for Adjournments:-**

On Thursday 15<sup>th</sup> May 2003, Fell Estates Limited applied (by fax) for an Adjournment (copy annexed hereto, marked "C").

On Friday 16<sup>th</sup> May 2003 at 9-30, the Tribunal replied (by fax) to Fell Estates Limited (copy annexed hereto, marked "D").

/continued.

On the same day, at 11-35, Fell Estates Limited sent a fax to the Tribunal (copy annexed hereto, marked "E")

On the same day, at 16-05, the Tribunal replied (by fax) to Fell Estates Limited (copy annexed hereto, marked "F").

On Monday 19<sup>th</sup> May 2003, at 9-49, Fell Estates sent a fax to the Tribunal (copy annexed hereto, marked "G")

On the same day, at 10-17, the Tribunal replied (by fax) to Fell Estates limited (copy annexed hereto, marked "H").

#### **4. Inspection:-**

The members of the Tribunal inspected the property on the morning of Monday 19<sup>th</sup> May 2003.

We found that it was an inter-war semi-detached house of traditional brick and tile construction in a pleasant established residential area. The extended and modernised accommodation comprises:-

On the Ground Floor – Enclosed porch, 2 reception rooms, kitchen, utility room and conservatory.

On the First Floor – 3 bedrooms and shower room.

The property has double glazed windows and gas central heating. There is a rear garden and a front garden with direct car access to a built-on single garage.

#### **5. Hearing of Application for Adjournment:-**

After the inspection, the members of the Tribunal returned to the Panel Office and the hearing commenced at 11-35. Mr Brunt was in attendance on behalf of the Tenants; there was no-one present on behalf of the Landlord.

The Chairman stated that there was an application for an adjournment. Mr Brunt indicated that he opposed the application; he submitted that if the Directions had not been complied with, the Landlord was not prejudiced.

The Tribunal then examined each of the documents which were before the Tribunal.

/continued.

During the course of this examination:-

- (i) Mr Brunt explained to the Tribunal that there were certain documents in his possession which were not before the Tribunal because they were inadmissible as being "without prejudice" documents.
- (ii) Mr Brunt produced to the Tribunal a document (which was not previously before the Tribunal), being a letter, dated 13<sup>th</sup> May 2003, sent by fax from Anthony Brunt & Co to Fell Estates Limited, which had attached to it a (draft) Statement of Agreed Facts (letter and attachment, annexed hereto, marked "I").

At the conclusion of the examination of the documents, Mr Brunt submitted:-

- (a) that Fell Estates Limited had been provided with his (Mr Brunt's) valuation and comparables 2 months before the hearing;
- (b) that Mr Brunt had submitted his Statement of Agreed Facts within the extended time limit;
- (c) that Mr Brunt did not understand the reference to a bundle of documents, made by Mr M.A.Fell (of Fell Estates Limited).

At 12-35, the Tribunal retired to consider its decision on the application for an adjournment of the hearing.

The Tribunal returned at 12-45 and the Chairman announced:-

- (i) that the application for an adjournment to another day was refused and that the substantive hearing would take place at 2p.m. that day, unless Fell Estates Limited informed the Tribunal before 2p.m. that a representative of the Landlord would attend at 3 p.m., in which event the substantive hearing would take place at 3p.m.;
- (ii) that Fell Estates Limited was to be informed accordingly, by the Tribunal staff, forthwith, by fax and telephone.

At 13-00 the same day, the Tribunal (staff) sent a fax to Fell Estates Limited (copy annexed hereto, marked "J") and telephoned the office of Fell Estates Limited.

/continued,

**7. The Reasons for the decision to refuse the Application for an Adjournment:-**

Fell Estates Limited referred to 2 specific matters in support of the application and a generalised allegation that the Applicants had failed to comply with the Directions. The specific matters were that the Applicants were in breach of the Directions in that there had been a failure by the Applicants to provide a bundle of documents and that Mr Brunt's statement had been submitted on 15<sup>th</sup> May 2003.

The Tribunal's view was:-

1. Bundle of Documents

This was not a case involving "a significant number of documents"; accordingly, in our view, there was no breach of Direction No.19. In any event, it was clear that neither party was prejudiced by the absence of bundle(s) of documents.

2. Mr Brunt's Statement

It is correct that Mr Brunt's (expert) witness statement was sent (by fax) to Fell Estates Limited on 15<sup>th</sup> May 2003, whereas Direction No. 15 provides for exchange of expert witness statements not later than 15 working days before the hearing. However, the Tribunal was not aware that any expert witness statement was sent to the Applicants or their representative by or on behalf of the Landlord. Accordingly, the Tribunal was of the view that, on the evidence before it, no breach of Direction 15 was demonstrated.

In any event, Mr Brunt's witness statement was a repetition of information supplied to Fell Estates Limited in March 2003 and the Tribunal was of the clear view that the Landlord was not prejudiced, in any way, by the fact that Mr Brunt's expert witness statement was served on Fell Estates Limited on 15<sup>th</sup> May 2003.

3. General

Obviously, it is difficult for a Tribunal to deal with general allegations. However, we noted the following matters:-

- (a) The Directions were in standard form;
- (b) The person dealing with the matter for Fell Estates Limited was away from 28<sup>th</sup> April 2003 (or before) until 8<sup>th</sup> May, 2003;
- (c) There were "without prejudice" documents that were not before the Tribunal.

/continued

We considered that, on the evidence before us, it had not been established that there had been a unilateral breach by the Applicants of any of the Directions. Further, we were of the definite view that if there had been such a breach, the Landlord was not prejudiced in any way whatever.

#### **8. The valuation method:-**

The generally recognised valuation method to derive the price payable for the freehold interest, accepted in *Farr v Millerson Investments Ltd* (1971) is: (i) capitalise the ground rent from the Date for the unexpired term of the Lease; (ii) capitalise the modern ground rent (s15 of the Act), as at the Date, as if in perpetuity but deferred for the unexpired term of the Lease - 'as if in perpetuity' because, although the value of the modern ground rent is for a term of 50 years (as the extension to the Lease), the value of the freehold reversion in possession at the end of the fifty years' extension is ignored as being too remote to have a separate value for it. As no evidence of cleared sites is adduced, the modern ground rent is derived by the standing house method: by decapitalising the site value, as a proportion of the entirety value. The entirety value is the value of the freehold interest in the Property with vacant possession assuming it to be in good condition and fully developing the potential of its site provided always that the potential identified is realistic and not fanciful.

It was clear from the documents before us that both parties agreed that this method of valuation should be adopted. The Tribunal was of the same opinion.

(It should be noted that this method of valuation does not include a *Haresign* addition - recognised in *Haresign v St John The Baptists' College, Oxford* [1980] when specific account was taken of the reversion to the full value of the dwelling after the expiration of the assumed fifty years' extension of the lease. )

#### **9. Items which were in dispute (and items which were agreed):-**

In the documents before the Tribunal were valuations from both Anthony Brunt & Co and Fell Estates Limited. Both agreed that the annual ground rent was £6 and that the correct yield rate to be applied in respect of the ground rent was 7%. However, there were differences, as follows:-

<u>Item</u>	<u>Fell Estates Limited</u>	<u>Anthony Brunt &amp; Co</u>
Unexpired Term	30 years	31 years
Entirety Value	£160,000	£150,000
% (to obtain site value)	35%	33.333%
Yield (re S.15 rent)	6%	7%

/continued.

Also among the documents before the Tribunal was a Scott Schedule (copy attached hereto, marked "K") setting out the parties contentions in respect of the reasonable costs issue, as follows:-

<u>Item</u>	<u>Fell Estates Limited</u>	<u>Anthony Brunt &amp; Co</u>
Solicitors' costs	£325	£250
Valuation Fee	£300	£250
Section 9(4) – other	£130	£50
Retrospective consent costs	£500	NIL

There was also, before us, a schedule dated 11<sup>th</sup> April 2003, attached to a letter to the Tribunal, dated 24<sup>th</sup> April 2003 from Fell Estates Limited (letter and schedule attached hereto, marked "L"), which sets out the Landlord's case in respect of the valuation fee and the (other) section 9(4) costs, which differs from the Scott Schedule in that the other section 9(4) costs amount to £150.

**10. The Substantive Hearing:-**

The Tribunal re-convened at 14-00 on 19<sup>th</sup> May 2003. Again Mr Brunt was in attendance but there was no representative in attendance on behalf of the Landlord. The Clerk stated that there had been no communication from Fell Estates Limited. The substantive hearing proceeded.

Mr Brunt referred to his valuation (see No. 9 above) and explained that his letter of 28<sup>th</sup> April 2003 (copy annexed hereto, marked "M") was in error,

Mr Brunt then gave (expert) evidence and made submissions to the Tribunal in support of his valuation. He referred to 2 (freehold) properties which he said were comparable to the property in question, namely:-

(i) 79, Clydesdale Road, Quinton, Birmingham B32 1DT, which Mr Brunt told us had been sold for £143,500 – sale agreed in the autumn of 2002 and completed in January 2003;

(It is possible that the Chairman's note is in error and that the figure mentioned by Mr Brunt was £143,000.)

and

/continued.

(ii) 89, Wilmington Road, Quinton, Birmingham B32 1DZ, which Mr Brunt told us had been sold for £153,000 – sale completed in April 2003.

(The written particulars prepared by Estate Agents in respect of both properties were before the Tribunal.)

Mr Brunt also gave (expert) evidence and made submissions in support of the figures for “reasonable costs” (in respect of the first 3 items) that he had inserted in the Scott Schedule ( Annex K). He told us that he had made enquiries with the Tenants’ solicitors who had confirmed that the freehold title to the property was registered. He also explained that the last item on the Scott Schedule (retrospective consent costs) had been included in the Scott Schedule in error, as it was not a matter within the jurisdiction of the Tribunal. He also told us that Fell Estates Limited were not registered for VAT. He conceded that his figure of £50 (for other section 9(4) costs) was somewhat low and that £75 would be more appropriate.

(The Tribunal accepted Mr Brunt’s evidence in so far as it related to factual matters.)

The Tribunal retired at 15-25 and returned at 15-40 when the Chairman stated that the Tribunal was inclined to the view that 33.33% was the correct figure for the % to be applied (to the entirety value) in order to obtain the site value but that, in view of No.2 of the letter of 28<sup>th</sup> April 2003 (Annex M), the Tribunal was minded to adjourn in order to give the Landlord a further opportunity of making representations. Mr Brunt then enquired whether the Tribunal would order an adjournment if he conceded 35% (as per No.2 of Annex M). The Tribunal retired at 15-45 and returned at 15-50, when the Chairman announced that if 35% was conceded, the Tribunal would proceed to decide the case (without an adjournment); Mr Brunt then conceded that 35% should be applied to the entirety value in order to calculate the site value.

**12. Reasons for Decisions on disputed items:-**

Unexpired term:- This is a matter of arithmetic. The lease commenced on 29<sup>th</sup> September 1934 for a term of 99 years expiring on 29<sup>th</sup> September 2033. The date of the Notice (to acquire the freehold) was 4<sup>th</sup> November 2002. Accordingly, there was (to the nearest quarter) 31 years between the date of the Notice and the date that the lease would expire.

Entirety Value:- We accepted Mr Brunt's evidence and opinion, which accorded with our own general knowledge and experience.

Yield (s.15) :- Again, we accepted Mr Brunt's evidence and opinion which accorded with the Tribunal's opinion, based on our general knowledge and experience. In particular, we considered it right that the same percentage yield should be used for both the unexpired term and the s.15 calculations and that the correct figure was 7%.

Solicitors' costs:- Based on our general knowledge and experience of the (reasonable) costs charged by solicitors to Landlords for such work, taking into account Mr Brunt's evidence and bearing in mind that the property is registered land and that the document will be drawn up by the Tenants' solicitors and submitted to the Landlord's solicitors for approval/amendment, we considered that the reasonable costs of this item should be limited to £250.

We assumed that the Landlord was registered for VAT and that if (as is likely) the Landlord's solicitors charged VAT, then this could be recovered by the Landlord as an input. Accordingly, we made no allowance for VAT.

Valuation Fee:- We accepted Mr Brunt's evidence and opinion which accorded with the Tribunal's opinion, based on our general knowledge and experience. As (on the evidence before us) Fell Estates Limited is not registered for VAT, there is no VAT to be included and the reasonable costs of this item should, in our view, be limited to £250.

Other Section 9(4) costs:- We considered the costings in the schedule, dated 11<sup>th</sup> April 2003 (Annex L) to be excessive. We accepted Mr Brunt's evidence and opinion, which accorded with the Tribunal's opinion, based on

/continued.

our general knowledge and experience. In our view, the reasonable costs under this item should be limited to £75. Again VAT is irrelevant for the reason(s) referred to above.

**13. Conclusion:-**

We determine that the sum to be paid by the Tenants for the acquisition of the freehold in the Property in accordance with section 9(1) of the Leasehold Reform Act 1967, as amended, is £6,521 (Six thousand five hundred and twenty one pounds) and that the costs payable by the Tenants, pursuant to Section 9(4) of the Leasehold Reform Act 1967, shall be limited as follows:-

Solicitors costs	£250
Valuation Fee	£250
Other costs	£75

---

I acknowledge receipt of your fax but as you are fully aware no facts have yet been agreed in this matter as I have been awaiting a response from you putting forward an offer to settle. I note three separate offers have been put forward to you in an effort to reach settlement at your request but it appears this has merely been a delaying tactic.

I note that again you have not complied with the directions and I would have thought that as you are acting on behalf of the applicant the onus was upon you to comply with the directions and provide the bundle of documents to enable me to respond on behalf of my client. There is now only one working day until the proposed hearing date and in these circumstances I will formally be requesting an adjournment to enable this case to be properly dealt with.

Can you please confirm by return whether or not your clients are proposing to put forward terms for settlement.

Yours sincerely

Dear Sir

**Re: 77 Wilmington Road, Quinton**

I received a fax at 9.30am this morning from Miss P Morris in reply to my fax of yesterday afternoon and I note the hearing scheduled for Monday is to be proceeded with.

I am extremely surprised and disappointed at this decision bearing in mind that the applicant's agent only submitted his statement by way of fax after 3pm yesterday afternoon in flagrant disregard of the directions set down. As respondent, it is simply not possible to have proper conduct of a case when the applicant simply ignores the directions and the respondent has nothing to respond to.

My clients position has been severely prejudiced in this matter both by the applicants agent failing to comply with directions and your decision not to adjourn the hearing until such time as the directions that you have given have been complied with. In the circumstance I shall be advising my client to submit a formal complaint to the Senior President of the Residential Property Tribunal Service.

I again formally request that an adjournment of the hearing is given as is provided for in the Leaschold Valuation Tribunal rules.

Yours faithfully

Dear Mr Fell

**LEASEHOLD REFORM ACT 1967 – SECTION 21 (1) (ba)**

**RE: 77 Wilmington Road, Quinton, Birmingham, B32 1DZ**

I am writing in reply to your fax dated 16 May 2003 at 11:35 am. The contents of which have been noted and forwarded to the Chairman of the Leasehold Valuation Tribunal on Monday 19 May 2003, and the President of the Midland Rent Assessment Panel.

The Chairman has asked that his decision to hold the hearing on Monday be confirmed and that he has not made a decision to not adjourn. The issue concerning an adjournment will be considered on Monday and it would therefore be helpful for you to attend to make such an application.

The President of the Midlands Rent Assessment Panel has stated that the decision concerning an adjournment is for the chairman of the Leasehold Valuation Tribunal to make and not for any member of the presidential panel to be involved with.

If you wish to make a complaint, the procedure is laid out in the enclosed booklet, but should in the first instance be directed to Mr Simon Duffy, President of MRAP.

Yours sincerely

**Dear Sir,**

I am in receipt of a letter of the 16<sup>th</sup> inst. from Mrs Jane Hickin, Case Officer, in reply to my faxed request for an adjournment also of the 16<sup>th</sup> inst..

I again formally request, in accordance with the rules and regulations governing LVT hearings, that the above matter is adjourned until such time as the applicant has complied with the directions and the LVT rules and regulations are also complied with.

I set out in my earlier faxes the detailed reasons why an adjournment is required, I understand in these circumstances the granting of an adjournment mandatory. To deny such a request would be in breach of the rules and regulations and my clients case would be very severely prejudiced.

I do not propose to attend at the panel office as this would incur further unnecessary costs that my clients would be unable to recover.

I await confirmation of a fresh hearing date when both the directions and rules and regulations have been complied with by the applicant.

Yours faithfully,

M A Fell

**RE: 77 WILMINGTON ROAD, QUINTON, B32 1DZ**

I am in receipt of your facsimile dated 19 May 2003. The Chairman has asked me to inform you that the Tribunal is going to inspect the property and the hearing will take place at 11.30 at the Panel Office when your application for an adjournment will be considered.

The preliminary review of the Committee is that we have been provided with the information required for a decision to be made today. If this is incorrect please explain why; also please quote your authority for stating that the granting of an adjournment is mandatory.

The Committee would be assisted if you were able to attend the hearing at 11.30 am. If this is not possible the Committee is willing to adjourn until 2 pm this afternoon if that would be more convenient to you.

Yours faithfully
