The tenancy commenced on 26 September 1993 for a term of six months/years. The tenant remains in occupation as a statutory periodic tenant. The current rent is £70 per week.

#### **4. The law**

In accordance with the terms of section 14 Housing Act 1988 the Committee proceeded to determine the rent at which it considered that the subject property might reasonably be expected to be let on the open market by a willing landlord under an assured tenancy.

In so doing the Committee, as required by section 14(1), ignored the effect on the rental value of the property of any relevant tenant's improvements as defined in section 14(2) of that Act.

*In coming to its decision the Committee had regard to the evidence supplied by the parties/ and the members' own general knowledge\* of market rent levels in the area of Evanston ..... and concluded that an appropriate market rent for the property would be £... <sup>85</sup> ~~100~~ ..... per week/fortnight/month/quarter. \**

**Note: the Committee may want to indicate here any particularly compelling market rental evidence on which it relied.**

#### **5. The decision**

The Committee therefore concluded that the rent at which the property might reasonably be expected to be let on the open market would be £... <sup>85</sup> ..... per week/fortnight/month/quarter /inclusive of ..... in respect of services. \*

*This rent will take effect from ..... being the date specified by the landlord in the notice of increase. \**

*This rent will take effect from 17 Nov 2004 the committee being satisfied that undue hardship would otherwise be caused to the tenant. \**

~~It should be noted that the tenancy contains a variable service charge within the meaning of section 18 of the Landlord and Tenant Act 1985. It follows that in accordance with Housing Act 1988, section 14(4) the rent determined by the Committee for the purposes of this application is exclusive of that service charge which will therefore be recoverable in addition to the rent determined.~~
