Sixtieth session

Agenda item 45

Follow-up to the outcome of the twenty-sixth special session: implementation of the Declaration of Commitment on HIV/AIDS

List of civil society representatives to be invited to participate in the high-level meeting and comprehensive review of the progress achieved in realizing the targets set out in the Declaration of Commitment on HIV/AIDS, to be convened from 31 May to 2 June 2006

Note by the President of the General Assembly

1. By its resolution 60/224 of 23 December 2005, the General Assembly decided to convene from 31 May to 2 June 2006 a high-level meeting and a comprehensive review of the progress achieved in realizing the targets set out in the Declaration of Commitment on HIV/AIDS.

2. By the same resolution, the General Assembly decided that, in addition to inviting Member States, observers, heads of entities of the United Nations system, including programmes, funds, specialized agencies and regional commissions, the Global Fund to Fight AIDS, Tuberculosis and Malaria, the Special Envoys of the Secretary-General on HIV/AIDS, intergovernmental organizations and entities that have observer status with the General Assembly, non-governmental organizations in consultative status with the Economic and Social Council and non-governmental members of the Programme Coordinating Board of the Joint United Nations Programme on HIV/AIDS (UNAIDS) to participate in the review and the high-level meeting, it would request the President of the General Assembly, following appropriate consultations with Member States, to draw up, not later than 15 February 2006, a list of other relevant civil society representatives, in particular associations of people living with HIV/AIDS, non-governmental organizations, including organizations of women, young people, girls and boys, and men, faith-based organizations and the private sector, especially pharmaceutical companies and representatives of labour, including on the basis of the recommendations of UNAIDS and taking into account the principle of equitable geographical representation, and to submit the list to Member States for consideration on a no-

objection basis for a final decision by the Assembly on participation in the review and the high-level meeting, including round tables and panel discussions.

3. Pursuant to resolution 60/224, on 15 February 2006 the President of the General Assembly circulated a letter containing a list of civil society representatives for the consideration of Member States. The President circulated a further letter on 24 February 2006 containing an addendum to the list.

4. The President of the General Assembly has the honour to submit to the General Assembly in the annex to the present conference room paper a revised list of civil society representatives, taking into account objections received from Member States, for its final decision.
